UI/UX Designer

Hi,I'm **Harish**
Origin From India

About Me

Harish, a dedicated and resilient individual, has successfully completed a BSc in Computer Science, showcasing a strong work ethic and an unwavering attitude of never giving up. Armed with a comprehensive understanding of Python full-stack development acquired through a rigorous course, he embodies a positive outlook. Beyond the realm of academics, Harish excels in both sports and trading, demonstrating a versatile skill set that extends from the digital landscape to real-world activities. His commitment to continuous learning and a multifaceted approach to life positions him as a dynamic force ready to make a meaningful impact in various domains.
